27/12 The explanation for the long delay in the Verification of the Amin's services and the Submission of his pension application is unsatisfactory. In his Docket No 2321/430 of 22-6-04 to the Registrar Chief Court the District Judge of Mysore states that the Official's service register was incomplete, that he failed to furnish the requisite information tho' called upon to do so, that his whereabouts were unknown for some time and that on his return to Seringapatam the Munsiff prepared a pension application which was found defective. It was wrong to have allowed the service register to remain incomplete. No time should have been lost in obtaining from the Official the information necessary for the preparation of his pension application, after orders for his retirement were passed. It should have been stated when the Official returned to Seringapatam and when the first application on his behalf was drawn up.

The application was evidently prepared in a most careless manner as it had to be returned more than once for the insertion of all the required information and for the rectification of errors. The officers responsible for the delay should be impressed with the necessity of arranging for the speedy disposal of Verifications

The pension papers with all the necessary information were forwarded to the Comptr. by the Registrar of the Chief Court on the 12th August 04. There was also a delay of nearly 4 months in the disposal of the case by the Comptr. as his report is dated only 5th Dec. 04.

As the Official was retired on the ground of incapacity for further service due to his being over 60 years of age, the pension should be classed ~~as~~ invalid and not superannuation. Please put up a revised draft. Mull 30/12/04

Dated 22d June 1904.

General No 2321/430. En. 1.

His docket No 6973/409 dated 25th Ultimo.

In reply, has the honor to state that the Amin Shamanna was ordered to be retired on 30th June 1901. His services in this division began in the Seringapatam Munsiff's Court from the year 1884. He was first entertained in the late Turuvekere Taluq in the year 1868. After a service of some years in the Taluq, he was transferred to the Munsiff's Court at Turuvekere and from thence to the Sub Judge's Court at Tumkur. The services rendered by him in the above offices could not be ascertained from his service Register as it was incomplete and as he failed to furnish the requisite information

Rough

Though called upon to do so He left Seringapatam and his whereabouts were unknown and could not be traced. After he returned to Seringapatam he furnished some information which was then considered as sufficient. Thereupon, the Munsiff prepared and submitted the pension papers to this Court, but these were returned for corrections on certain points to be returned with his finger impression The Munsiff had to wait for obtaining the finger impression till the 7th March 1904 owing to the Amin's absence from Seringapatam. On the said date, the finger impressions were made by the Ameen before the Munsiff who submitted the papers to this Court. They were forwarded to the Chief Court on 11th March 1904. They have again been returned to this Court on 25th Ultimo with the Comptroller's objection memo requiring additional information on certain points. The papers have been again sent to the Munsiff for early compliance and will be resubmitted very shortly. The petition of Amin Shamanna, received with the docket under reply, is herewith returned.

GENERAL AND REVENUE SECRETARIAT

(*Continuation Sheet draft form.*)

his docket No. 2321 dated the 22nd June 1924 to the Registrar of the Chief Court, the Dy. Judge of Mysore states that the official's Service Register was incomplete, that he failed to furnish the requisite information though called upon to do so, that his whereabouts were unknown for sometime and that on his return to Seringapatam the Munsiff prepared a pension application but that it was found defective. It was wrong to have allowed the Service Register to remain incomplete. No time should have been lost in obtaining from the official the information necessary for the preparation of his pension application, after orders for his retirement were passed. It should have been stated when the official returned to

Seringapatam and when the
first application on his behalf
was drawn up. The application
was evidently prepared
in a careless manner as
it had to be returned more
than once either for rectification
or for supplying omissions.
The offices responsible for
the delay should be impressed
with the necessity for
arranging for the speedy
verification of services.

2. The pension papers
with all the necessary
information were forwarded
to the Comptroller by the
Registrar of the Chief Court
on the 12th August 1904.
There was also a delay of
nearly four months in the
disposal of the case ~~by the~~ in his office
~~Comptroller~~ as his report
is dated the 5th Decr 1904.

3. Shamannah having
been retired on the ground
of incapacity for further
service due to his being
over 60 years of age, his
pension should be classed
as Invalid but not as
Superannuation Pension.
